About me

I am optimistic, goal-driven, and teachable. My dream career is to help shape our nation's future leaders and movers as an English language educator. To achieve this ultimate goal, I ensure that I do not only do well in my studies but also take every opportunity to improve my soft and hard skills through participating in various events and activities in our college.

Interests

As I progress in my studies, I'm widening my interests across the field of English language teaching. For instance, I'm currently reading up on academic writing and research in classroom settings. I'm also very interested in learning other learning management systems.
